## Blue Gum grassy woodland

| Vegetation association: Blue Gum ( <i>Eucalyptus leucoxylon</i> ssp. <i>leucoxylon</i> ) grassy woodland |                        |                          |                      |
|----------------------------------------------------------------------------------------------------------|------------------------|--------------------------|----------------------|
| Soil description: Loam over clay                                                                         |                        |                          |                      |
| Plant species                                                                                            | Common name            | Form                     | Establishment method |
| <i>Eucalyptus leucoxylon</i> ssp. <i>leucoxylon</i>                                                      | SA Blue Gum            | Canopy dominant tree     | Tubestock            |
| <i>Acacia pycnantha</i>                                                                                  | Golden Wattle          | Canopy sub-dominant tree | Tubestock            |
| <i>Allocasuarina verticillata</i>                                                                        | Drooping Sheoak        | Canopy sub-dominant tree | Tubestock            |
| <i>Acacia acinacea</i>                                                                                   | Round-leaf Wattle      | Shrub                    | Machine seeded       |
| <i>Acacia myrtifolia</i>                                                                                 | Myrtle Wattle          | Shrub                    | Machine seeded       |
| <i>Banksia marginata</i>                                                                                 | Silver Banksia         | Shrub                    | Tubestock            |
| <i>Bursaria spinosa</i>                                                                                  | Christmas Bush         | Shrub                    | Tubestock            |
| <i>Dodonaea viscosa</i> ssp. <i>spatulata</i>                                                            | Sticky hop-bush        | Shrub                    | Machine seeded       |
| <i>Goodenia amplexans</i>                                                                                | Clasping Goodenia      | Shrub                    | Tubestock            |
| <i>Hakea carinata</i>                                                                                    | Erect Hakea            | Shrub                    | Tubestock            |
| <i>Hakea rugosa</i>                                                                                      | Dwarf Hakea            | Shrub                    | Tubestock            |
| <i>Hardenbergia violacea</i>                                                                             | Native Lilac           | Shrub                    | Tubestock            |
| <i>Leptospermum myrsinoides</i>                                                                          | Heath Tea-tree         | Shrub                    | Machine seeded       |
| <i>Myoporum petiolatum</i>                                                                               | Sticky Boobialla       | Shrub                    | Tubestock            |
| <i>Olearia ramulosa</i>                                                                                  | Twiggy Daisy-bush      | Shrub                    | Machine seeded       |
| <i>Pultenaea largiflorens</i>                                                                            | Twiggy Bush-pea        | Shrub                    | Tubestock            |
| <i>Xanthorrhoea semiplana</i>                                                                            | Flat-leaf Grass-tree   | Shrub                    | Machine seeded       |
| <i>Billardiera cymosa</i>                                                                                | Sweet Apple-berry      | Groundcover              | Machine seeded       |
| <i>Chrysocephalum apiculatum</i>                                                                         | Common Yellow Button   | Groundcover              | Tubestock            |
| <i>Dianella longifolia</i>                                                                               | Pale Flax-lily         | Groundcover              | Tubestock            |
| <i>Dianella revoluta</i>                                                                                 | Black-anther Flax-lily | Groundcover              | Machine seeded       |
| <i>Grevillea lavandulacea</i> var. <i>lavandulacea</i>                                                   | Heath Grevillea        | Groundcover              | Tubestock            |
| <i>Lomandra multiflora</i> ssp. <i>dura</i>                                                              | Iron-grass             | Groundcover              | Tubestock            |

| Plant species                   | Common name           | Form        | Establishment method |
|---------------------------------|-----------------------|-------------|----------------------|
| <i>Senecio picridioides</i>     | Purple-leaf Groundsel | Groundcover | Tubestock            |
| <i>Senecio quadridentatis</i>   | Cotton Groundsel      | Groundcover | Tubestock            |
| <i>Anthosachne scabre</i>       | Native Wheat-grass    | Grass       | Machine seeded       |
| <i>Austrostipa mollis</i>       | Supple Spear-grass    | Grass       | Machine seeded       |
| <i>Austrostipa spp.</i>         | Spear-grass           | Grass       | Machine seeded       |
| <i>Bothriochloa macra</i>       | Red-leg Grass         | Grass       | Machine seeded       |
| <i>Chloris truncata</i>         | Windmill Grass        | Grass       | Machine seeded       |
| <i>Microlaena stipoides</i>     | Weeping Grass         | Grass       | Machine seeded       |
| <i>Poa clelandii</i>            | Matted Tussock-grass  | Grass       | Machine seeded       |
| <i>Rytidosperma auriculatum</i> | Lobed Wallaby-grass   | Grass       | Machine seeded       |
| <i>Rytidosperma caespitosum</i> | Common Wallaby-grass  | Grass       | Machine seeded       |
| <i>Rytidosperma carphoides</i>  | Short Wallaby-grass   | Grass       | Machine seeded       |
| <i>Rytidosperma geniculatum</i> | Kneed Wallaby-grass   | Grass       | Machine seeded       |
| <i>Rytidosperma pilosum</i>     | Hairy Wallaby-grass   | Grass       | Machine seeded       |
| <i>Rytidosperma racemosum</i>   | Slender Wallaby-grass | Grass       | Machine seeded       |
| <i>Rytidosperma setaceum</i>    | Bristly Wallaby-grass | Grass       | Machine seeded       |
| <i>Themeda triandra</i>         | Kangaroo Grass        | Grass       | Machine seeded       |

## Red Gum grassy woodland

| Vegetation association: Red Gum ( <i>Eucalyptus camaldulensis</i> ssp. <i>camaldulensis</i> ) grassy woodland |             |                          |                      |
|---------------------------------------------------------------------------------------------------------------|-------------|--------------------------|----------------------|
| Soil description: Loam over clay                                                                              |             |                          |                      |
| Plant species                                                                                                 | Common name | Form                     | Establishment method |
| <i>Eucalyptus camaldulensis</i> ssp. <i>camaldulensis</i>                                                     | Red Gum     | Canopy dominant tree     | Tubestock            |
| <i>Eucalyptus leucoxylon</i> ssp. <i>leucoxylon</i>                                                           | SA Blue Gum | Canopy dominant tree     | Tubestock            |
| <i>Acacia melanoxylon</i>                                                                                     | Blackwood   | Canopy sub-dominant tree | Tubestock            |

| Plant species                          | Common name             | Form                     | Establishment method |
|----------------------------------------|-------------------------|--------------------------|----------------------|
| <i>Acacia pycnantha</i>                | Golden Wattle           | Canopy sub-dominant tree | Tubestock            |
| <i>Allocasuarina verticillata</i>      | Drooping Sheoak         | Canopy sub-dominant tree | Tubestock            |
| <i>Acacia myrtifolia</i>               | Myrtle Wattle           | Shrub                    | Machine seeded       |
| <i>Acacia verniciflua</i>              | Varnish Wattle          | Shrub                    | Machine seeded       |
| <i>Banksia marginata</i>               | Silver Banksia          | Shrub                    | Tubestock            |
| <i>Bursaria spinosa</i>                | Christmas Bush          | Shrub                    | Tubestock            |
| <i>Correa decumbens</i>                | Spreading Correa        | Shrub                    | Tubestock            |
| <i>Dodonaea viscosa ssp. spatulata</i> | Sticky hop-bush         | Shrub                    | Machine seeded       |
| <i>Goodenia ovata</i>                  | Hop Goodenia            | Shrub                    | Tubestock            |
| <i>Hakea rugosa</i>                    | Dwarf Hakea             | Shrub                    | Tubestock            |
| <i>Leptospermum continentale</i>       | Prickly Tea-tree        | Shrub                    | Machine seeded       |
| <i>Melaleuca decussata</i>             | Cross-leaf Honey-myrtle | Shrub                    | Machine seeded       |
| <i>Myoporum petiolatum</i>             | Sticky Boobialla        | Shrub                    | Tubestock            |
| <i>Acaena novae-zealandiae</i>         | Bidgee-widgee           | Groundcover              | Tubestock            |
| <i>Carex bichenoviana</i>              | Notched Sedge           | Groundcover              | Tubestock            |
| <i>Carex inversa</i>                   | Knob Sedge              | Groundcover              | Tubestock            |
| <i>Dianella longifolia</i>             | Pale Flax-lily          | Groundcover              | Tubestock            |
| <i>Dianella revoluta</i>               | Black-anther Flax-lily  | Groundcover              | Tubestock            |
| <i>Juncus pallidus</i>                 | Pale Rush               | Groundcover              | Tubestock            |
| <i>Juncus pauciflorus</i>              | Loose-flower Rush       | Groundcover              | Tubestock            |
| <i>Juncus sarophorus</i>               | Broom Rush              | Groundcover              | Tubestock            |
| <i>Juncus subsecundus</i>              | Finger Rush             | Groundcover              | Tubestock            |
| <i>Lomandra densiflora</i>             | Pointed Mat-rush        | Groundcover              | Tubestock            |
| <i>Lomandra multiflora ssp. dura</i>   | Iron-grass              | Groundcover              | Tubestock            |
| <i>Marianthus bignoniaceus</i>         | Orange Bell-climber     | Groundcover              | Tubestock            |
| <i>Anthosachne scabre</i>              | Native Wheat-grass      | Grass                    | Machine seeded       |
| <i>Chloris truncata</i>                | Windmill Grass          | Grass                    | Machine seeded       |
| <i>Microlaena stipoides</i>            | Weeping Grass           | Grass                    | Machine seeded       |

| Plant species                   | Common name              | Form  | Establishment method |
|---------------------------------|--------------------------|-------|----------------------|
| <i>Poa labillardieri</i>        | Tussock Poa              | Grass | Tubestock            |
| <i>Rytidosperma duttonianum</i> | Brown-back Wallaby-grass | Grass | Machine seeded       |
| <i>Rytidosperma pilosum</i>     | Hairy Wallaby-grass      | Grass | Machine seeded       |
| <i>Rytidosperma racemosum</i>   | Slender Wallaby-grass    | Grass | Machine seeded       |
| <i>Themeda triandra</i>         | Kangaroo Grass           | Grass | Machine seeded       |

## Grey Box, Blue Gum grassy woodland

| CEA reference: CLA_GBBG_GW                                                                                                   |                   |                          |                      |
