Ref: METRO GROWTH

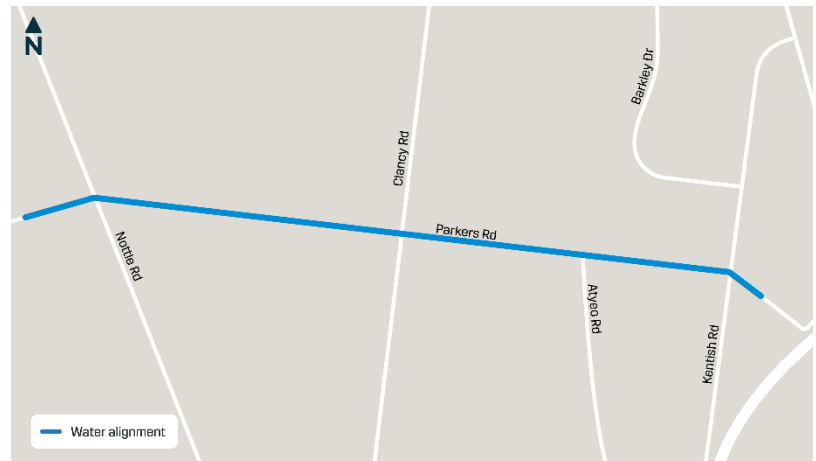

Dear Resident/Property Owner,

Project introduction: SA Water works on Parkers Road

As part of the State Government's Housing Roadmap, we're investing \$1.5 billion over four years to upgrade and expand our water and wastewater networks across South Australia. This work will support an estimated 50,000 new homes while ensuring reliable services for everyone.

To help deliver high quality, reliable water services for existing customers and support future housing growth in the Two Wells area, SA Water is installing approximately 2.3 kilometres of new water infrastructure along Parkers Road (refer Figure 1).

This essential work is scheduled to begin in June 2026 and is expected to be completed by mid-2027, subject to program requirements, weather and/or ground conditions.

During construction

We understand construction works can be disruptive, and we are committed to keeping you informed as the project progresses. To help minimise potential inconveniences and allow you time to plan ahead, we will:

- provide advance notice of works happening near your property (please see *Keeping you updated* below to register for future updates)
- contact you with detailed information if the works will have a direct impact to your property.

Next steps for major upgrade

Together with our contractor, BMD Construction, service relocation works along Parkers Road and on the verge will commence in June 2026. Working hours for this activity are 7.00am – 5.00pm, Monday to Friday, with traffic management, including detours, in place at times.

Our Senior Stakeholder Advisor will be contacting nearby businesses in the coming weeks to discuss the works and help minimise impacts to your operations as much as practicable. To arrange a call at a convenient time, please email andrea.shaw@bmd.com.au.

Keeping you updated

To register for updates about this and future construction activities, or to find out about the project in general, please scan the QR code or visit watertalks.sawater.com.au.

If you have any immediate questions or enquiries, please don't hesitate to reach out to our project team via

Email: metrogrowth@sawater.com.au

Phone: 1300 981 233

We look forward to working with you throughout the construction period.

Kind regards,

Metro Growth Stakeholder Engagement Team
